Fourth Sunday of Lent

TREASURES FROM OUR TRADITION

Today, "Laetare Sunday," breaks the somberness of Lent for a little rejoicing, and the readings all summon us to an awareness of reconciliation. One of the best-loved stories of our tradition is today's Gospel story of the runaway son and the prodigal father. Prodigal, of course, is an adjective meaning "spendthrift or extravagant to a degree bordering on recklessness," and although the boy maxes out the credit cards, it is really the father who is prodigal with forgiveness.

Part of the excitement of this Laetare Sunday is rooted in the ancient catechumenate. Long ago, midway through Lent, the "elect" were focusing more and more on the gift of reconciliation accomplished for them by Christ and about to be realized in the Easter sacraments they were preparing to celebrate. In some places, the elect were even bedecked with roses on this day. A person bedecked with roses sticks out in a crowd; a person formed by the Eucharist and committed to living a life of reconciliation does, too. That's you!

BRINGING CHRIST
Into your home Into your family
Into your life

Use the reading and reflection below to help your family better understand and dive a little deeper into this weekend's Gospel!

Think: One day Jesus told this story: "There was a man who had two sons. One day the younger one came to his father and said, 'Father, give me everything that will one day belong to me, so I can enjoy my riches now.' The father did this, and the younger son set off to look for adventure. He traveled to a distant land and spent all his money enjoying himself. But there was a famine in that land, and the young man found himself penniless and starving. 'If I stay here I will surely starve,' he thought. So he decided to return to his father and ask for his forgiveness. The father saw his son coming and ran to welcome him. As he hugged him, the young man said, 'Father, I am so sorry. I no longer deserve to be called your son.' But his father told his servants to prepare a feast and to bring the finest clothes, and they began to celebrate."

Challenge: Jesus told this story because he wanted us to understand that whatever we do wrong, we can always come back to our heavenly father. If we ask God for his forgiveness, we know that he will welcome us with open arms. God feels sad and waits patiently for our return whenever we turn away. In the Sacrament of Reconciliation, we ask for God's forgiveness and help to become more loving and caring people. Like the son who returned to his father, we are filled with happiness and joy when we make peace with God. *Lord, you gave your love and peace to us. Help us to make the world a happier place by sharing that love and peace with each other. Amen.*
